***Chapter 1*: Happy Thoughts**

All because of the "Coconut Song".

Isaac: ::holds up a sign that says "What?"::

I dunno, just read.

Garet: Akiko doesn't own the "Coconut Song".

Ivan: Or "It's a Small World".

Mia: Or the "Song That Never Ends".

Garet: Or "I Know a Song That Gets on Everybody's Nerves".

Ivan: Or the "Black Socks Song".

Okay, we get the point! I don't anything!

****Happy Thoughts****

By: Akiko o_O;;;;

"And now it's time for the 'Coconut Song'!" Ivan said cheerfully.

Everyone else groaned.

"Not the 'COCONUT Song'," Isaac moaned, holding his head in his

hands. "I already had to live through 'It's a Small World' and 'The Song

That Never Ends'."

"I thought it really WOULD never end," Garet agreed.

"Hey, you weren't here when he was singing 'I Know a Song That

Gets On Everybody's Nerves'," Mia growled, her left eye twitching and a

vein popping. "Or the 'Black Socks Song'."

"Black socks they never get dirty the more that you wear them the

blacker they get," Ivan sang. "Someday, I'm going to watch them but

something inside of me tells me not yet, not yet, not yet."

Mia screamed, loud and long.

When she was done, Ivan began insisting. "C'mon, guys! It's just the 'Coconut Song'! And then you can go!"

"Alright," they all muttered, and began singing.

"I've got a lovely bunch of coconuts," Gareth began.

"Deedaleedeedee," Isaac supplied.

"There they are a standing in the road," Mia continued.

Isaac was still on sound effects. "Bam bam bam."

"Pick one small one-" Ivan started singing.

"Some are as big as Gareth's head!" Isaac cut in.

"Hey!" Gareth started chasing Isaac around the room.

"Happy thoughts, guys!" Ivan yelled over the chaos as things

crashed to the floor and fire was thrown about.

"Think your own happy thoughts!" Mia screamed, running out of the

door, quickly followed by both Isaac and Gareth.

"Okay!" Ivan said brightly, then began singing. "I ran over my dog Rover with the lawn mower..."

The End

Yeah, um, I wish I could take no responsibility for this, but I wrote it. So I kinda have to. Hope you...um...weren't driven to insanity...R&R...or something...
